

MIN	HINDI	ENGLISH
01:22:12- 01:24:14		- For the extended week end? - Yeah
01:24:20- 01:28:01		Why aren't you thinking of a better place in Malaysia?
01:30:03- 01:31:07		You just want to chill?
01:32:08- 01:33:06		We can totally go to Batam.
01:33:17- 01:36:11		Or even Cameron Highlands?
02:58:17- 03:00:05		- I don't know if you can go up there. - Why
01:40:01- 01:42:19		- Not all the buses are coming back right? - Yes, that's a problem.
01:43:04- 01:44:23		- Everything is all booked now. - It's all full.
01:45:09- 01:46:11		We kinda need to go where people won't go.
01:54:08- 01:58:14		- It can be really bad. - Why?
02:00:12- 02:02:13		Cambodia, it's visa on arrival.
02:03:02- 02:05:17		Indonesia, I think again, visa on arrival.
02:06:02 – 02:09:03		- What about Hong Kong? - Visa on arrival.
02:10:13- 02:13:16		- Do you need one for Hong Kong? - No, no.
02:14:09- 02:17:06		I guess I'm granted, 'cause we used to be there.
02:18:03- 02:20:15		- You guys (British) were everywhere. - Yeah. We were..
02:21:15- 02:25:17		I was with a taxi driver, Saturday night, for Pamela's birthday.

02:26:09- 02:29:06		So bad! We got into the taxi.
02:29:23- 02:30:17		I don't remember.
02:31:01- 02:34:23		And then he was like, "Where are you from?" And I said "England."
02:35:07- 02:37:17		He was like, "Oh I thought we got rid of them fifty years ago."
02:43:04-02:45:00		If you looked at the house when you came up..
02:45:01- 02:47:13		..you saw nothing except this one window.
02:47:14-02:50:14		So this gives you a secret preview.
02:51:17- 02:52:20		of what you are in for.
02:53:01- 02:55:04		Look at something like this.
02:55:10- 02:58:10		Look at how her face is completely different from..
02:58:21- 03:01:01		..from a normal doll.
03:01:24- 03:05:12		I love the skin color, I love the kind of clothes that she can pull off.

MIN	HINDI	ENGLISH
03:06:05- 03:10:00		If there's a blonde doll and an African-American doll..
03:10:07- 03:12:19		..the African-American doll's value is lower.
03:13:01 – 03:16:09		It's very interesting, because we have the neutral stand.
03:06:12- 03:18:02		We are the only one to have a neutral stand.

03:18:04- 03:22:11		Because they will always make a Caucasian and they always make an African-American.
03:22:12- 03:26:24		The Asians almost never feature in the Barbie conversation.
03:43:20- 03:46:24		What happens is that there is a beauty mode where you are..
03:47:10-03:51:07		..like you are coming out.. It smoothens your skin and wrinkles.
03:51:17- 03:53:04		So this is the lowest level.
03:53:14- 03:57:07		This is the second level. You can see the lady's eyes, the difference.
03:57:23- 03:59:00		This is the third level.
04:00:01-04:03:03		So I've become more like an alien.
04:04:00- 04:05:12		But what is happening?
04:06:01- 04:08:01		Like beautify. Just beautify?
04:08:07- 04:11:22		Yeah. So this is not an app. It's the camera movie cell.
04:12:23- 04:14:23		So you can just take a picture like right now.
04:15:04- 04:16:19		And then it will become..
04:17:08- 04:18:21		Can you do it? Yeah, sure.
04:23:22- 04:26:13		This is the beauty mode.
04:26:24- 04:28:21		This is the normal mode.
04:31:18- 04:32:19		So aliens!
04:33:01- 04:35:17		You know how the Asian girls want big eyes.

04:36:02- 04:39:12		I don't even need to put.. Ahh, this is like the, the animation character.
04:39:20- 04:42:02		Ok, this is good if you don't have to take..
04:42:07- 04:4:03		..plastic surgery.
04:44:21- 04:46:09		You don't even have to go through any surgery.
04:46:22- 04:48:14		You just look like that.
04:51:13- 04:54:23		This is the anime kind of look that Asian girls like.
04:58:04- 04:59:23		You should try it yourself.
05:07:07- 05:09:15		And then he said something about Indians.
05:09:19- 05:13:13		He said, "There's too many Indians and Chinese in Singapore."
05:14:04- 05:18:04		So I responded by going, "There are so many Singaporeans everywhere else."
05:18:21- 05:22:14		And he was wearing a cowboy hat, he was Indian himself.
05:23:06- 05:24:17		So I found out, I googled him.
05:24:19- 05:28:11		- He was actually in someone's blog, where somebody mentions him. - She actually googled him!
05:28:16- 05:32:23		- He had a taxi driver confederate flag. - Oh did he?
05:33:12- 05:38:00		And he described him, he was wearing a cowboy hat, and curly hair..
05:38:03- 05:41:06		He was wearing a cowboy hat while driving the taxi?

05:41:09- 05:43:12		Yeah, and he had the confederate flag.
05:44:03- 05:45:09		There.
05:45:17- 05:47:09		- Are you serious? - Yeah.
05:47:10- 05:48:12		It was awful.
05:48:13- 05:49:13		He was so mean.
05:49:14- 05:53:01		And then he was like, "Are there any animals sitting at the back?"
05:53:17- 05:56:02		He was looking through the rear view mirror.
05:56:16- 05:59:17		And started saying stuff about Indians, cause Jaime was there.
05:59:19- 06:00:22		Ohh..
06:04:11- 06:07:06		We were like, "We are going to teach you some social skills."
06:08:13- 06:10:18		I was like, "Have you been punched in the face before?"
06:10:24- 06:13:13		He said, "No, no never." I was like, "What the fuck."
06:15:03- 06:16:14		It was horrible.
06:19:24- 06:21:05		I was quite shocked.
06:21:09- 06:25:11		And then I told Mark about it, this guy that I'm working with at UBS.
06:25:16- 06:28:13		And he was like, "Oh my God, I'm going to write in a complaint."
06:29:06- 06:31:12		And I was like, "What you gonna say?"
06:32:08- 06:34:23		But someone blogged about him.
06:35:18- 06:38:04		Somebody. There was this guy who has travelled all over Asia.

06:38:13- 06:42:01		And he said, "Oh it's really funny that I met this taxi driver."
06:42:05- 06:45:04		"He's actually a mathematician, he's married to a Chinese lady."
06:47:07- 06:49:01		"And his name is Tony."
06:49:05- 06:50:07		Really?
06:50:14- 06:51:22		- Tony. - Tony.
06:52:00- 06:54:09		- That's a classic English name. - Yeah. Tony.
06:55:10- 06:57:05		I don't get what he would be happy with.
06:57:08- 06:59:12		He doesn't like you, he doesn't like Indians.
06:59:17- 07:01:22		- He doesn't like the Chinese. - But he's married to a Chinese!
07:02:06- 07:03:22		And he's Indian himself.
07:05:09- 07:08:10		So when are you going to start interviewing more people?
07:10:06- 07:12:11		That's the thing I don't know. Maybe..
07:15:09- 07:17:05		August? Beginning of August?
07:56:14- 07:59:04		They're waiting for an agent to bring them here.
08:04:02- 08:05:10		What is this?
08:06:07- 08:06:21		This.
08:07:07- 08:08:08		What is..? This M1.
08:09:02- 08:10:05		These are M1.
08:11:06- 08:17:06		We are selling the phone from M1 directly. We are the agents.
08:17:16- 08:20:13		So if somebody like you want to take the M1 card..
08:20:23- 08:23:24		..for overseas calls. We can do it for you.

08:25:10- 08:26:14		You're from Singapore?
08:26:20- 08:27:21		I Singapore.
08:28:20- 08:32:18		If you're doing this business, all must be Singaporean.
08:32:33- 08:34:19		Not overseas people.
08:36:11- 08:38:13		Because this is government policy.
08:38:18- 08:42:22		That they don't allow foreigners, to do these things illegally.
08:43:04- 08:43:24		Illegally?
08:44:04- 08:45:04		Yes.
08:45:10- 08:47:18		Because in Singapore we are very strict.
08:48:04- 08:50:06		Singapore is not like Malaysia.
08:50:22- 08:53:02		You go to Malaysia and buy this card. How many do you want?
08:53:11- 08:54:15		They'll just forget about you.
08:54:21- 08:56:18		You give them, they'll just sell it to you.
08:59:08- 09:01:06		You can do what they do with the sim card.
09:01:09- 09:03:11		You can do a lot of things illegally.
09:04:23- 09:05:09		Correct?
09:05:20- 09:07:08		You can create a bomb.
09:07:13- 09:09:09		You can create nonsense.
09:09:16- 09:14:11		You can create all the illegal things you want.
09:16:15- 09:19:24		That is why Singapore is very strict because of this.
09:22:09- 09:27:12		Has anybody ever asked you to do something illegal?

09:27:15- 09:32:18		That is why I already told you I don't do this.
09:32:19- 09:35:07		Because we are direct from M1.
09:36:17- 09:38:23		But that happens? You mean, people do things illegally here?
09:39:05- 09:40:15		Yes. Oh yes?
09:41:00- 09:43:06		And they go to jail.
09:43:17- 09:47:19		You know I was watching on Facebook about the foreigners.
09:47:24- 09:50:13		They kill all the foreigners.
09:51:01- 09:51:24		Where?
09:54:01- 09:55:20		Let me get this.
10:02:13- 10:05:07		Where is this? Iran.
10:12:21- 10:15:12		They kill them. Why?
10:15:17- 10:18:10		You ask them. I don't understand their language.
10:18:24- 10:21:17		Later you can see they shoot them many times.
10:23:11- 10:26:16		But this is all their own people.
10:31:23- 10:33:06		Oh my God!
10:34:18- 10:37:07		And you want to see worse than this?
10:37:14- 10:41:03		I just got it sent on Facebook from some people.
10:42:02- 10:45:13		This is not where they kill the people. Wait.
11:14:19- 11:18:09		Where are you from? I'm from India.
11:19:15- 11:21:03		Italy.
11:21:04- 11:24:19		You'd better watch this. Before you go there.
11:26:11- 11:29:07		You see that?
11:32:02- 11:33:23		You mean to say they are killing their own people?

11:34:05- 11:36:19		You see. I don't like to say. You see.
11:54:10- 11:57:02		Why do you think Singapore is so safe?
11:57:22- 12:01:19		Because you can't do anything. You have a gun?
12:01:24- 12:04:13		You have a knife? See?
12:17:00- 12:19:03		This is how they hang their head.
12:23:14- 12:25:09		Why do you see all this?
12:25:18- 12:27:13		My friends sent it to me.
12:29:17- 12:34:19		We cannot see. I don't like this thing. I won't sleep at night.
12:34:22- 12:36:18		We just talk about a safe place and you watch this stuff.
12:37:00- 12:39:22		That is why I told you that you are lucky that you came here.
12:40:06- 12:42:18		This is how they kill all the people.
12:51:24- 12:54:18		That is why I tell you, no matter how many thousand dollars you give me.
12:55:01- 12:57:03		I won't go to these countries.
12:57:09- 13:00:20		You want to go? You are from India. You can go.
13:36:13- 13:42:01		If you have a look at the newspaper we get. The Today in the mornings.
13:43:13- 13:47:24		Have a look at it. What does it say? I mean what does it really say?
13:48:11- 13:53:12		Yes they have become very sensitive about Malaysian people.
13:54:24- 13:59:09		If they are enrolling in organizations such as IES (Int. Education Studies) through them.

14:00:03- 14:03:22		- They have become very sensitive about this. - You mean they shouldn't go?
14:04:03- 14:05:06		Yes.
14:05:21- 14:13:22		Now look at this. A column, 'For Singaporeans'. Now such a small country, why should they worry about this?
14:14:03- 14:19:07		It will always remain Singapore. After 5 years, everybody wants to run away from here.
14:19:19- 14:22:09		Such a pressure cooker atmosphere.
14:23:01- 14:26:02		The people in my company say..
14:27:01- 14:31:17		.. you come to work. You work here, you go at home.
14:31:24- 14:34:18		Sleep and again you come to work.
14:35:02- 14:39:13		Don't we see this? When you go to the tiny hawker centres?
14:40:07- 14:43:23		Or the food halls outside the metros?
14:44:06- 14:49:15		-We see so many old people picking up plates. -Yes I feel really bad about that.
14:50:03- 14:54:09		So they say that till you die you have to work.
14:54:19- 14:57:09		Nobody will take care of you after..
14:57:12- 15:04:24		In that sense, if you talk about India or Pakistan or Sri Lanka at least we have some right.
15:06:07- 15:11:02		That a man will retire and spend time with his children.

15:12:04- 15:18:19		Thankfully certain values remain in India. We take care of our parents.
15:40:01- 15:42:12		You are good on camera.
15:43:03- 15:46:08		Don't I look good off camera?
15:47:07- 15:52:19		Many people love reading stories especially foreigners.
15:53:04- 15:56:08		Buying a book and then reading it..
15:56:15- 15:59:20		Like you read.
15:59:21- 16:02:23		A lot of people simply enjoy it.
16:03:13- 16:05:05		Do you like reading?
16:05:06- 16:08:19		I don't have time to read.
16:10:07- 16:14:05		I am doing a job that makes my eyes burn.
16:15:08-16:17:03		My eyes get very hot.
16:17:20- 16:21:08		Reading a book is okay for office going people.
16:22:00- 16:25:13		The moment we open a book, we fall off to sleep.
16:27:13- 16:31:11		They fool you. The cooking shows are all the same.
16:31:12- 16:35:14		The only difference is that they are educated. They use expensive sauces to prepare food.
16:35:15- 16:39:19		They are cultured. They know how to talk. They are precise about the measurements.
16:39:20- 16:42:10		Like one spoon of this and half a spoon of that.
16:42:13- 16:46:12		We don't keep track of spoons. We just know.
16:47:02- 16:53:06		Those guys can cook a few dishes for a limited amount of people. I can cook for a thousand people at a go.

16:55:02- 17:01:13		If you give them such a task, they will take ages to evaluate their measurements and decide the portion.
17:01:14- 17:09:01		In that same amount of time, God alone knows what all I can accomplish!
17:18:24- 17:19:16		Misa!
17:19:23- 17:20:15		Misa!
17:20:18- 17:22:01		Bring! Bring!
17:27:01- 17:28:19		My parents were divorced..
17:29:08- 17:30:15		..when I was really young.
17:30:18- 17:33:04		So I was with my mom..
17:33:15- 17:37:04		..and she single-handedly brought the three of us up.
17:37:18- 17:40:20		I think growing up with a single parent..
17:42:20- 17:45:17		..makes me more independent, because I'm the eldest daughter.
17:45:21- 17:48:22		So I learnt to take care of my siblings from a young age.
17:49:03- 17:51:14		And I started working really young, at fourteen.
17:52:00- 17:54:09		In your blog I had seen your photographs before
17:54:24- 17:56:13		Also pretty!
17:57:07- 17:58:11		So, I mean..
17:58:23- 18:02:17		It's like a lot of people are definitely not visually appealing.
18:02:20- 18:06:12		They have a very very ugly particular feature and then they decide to change it.
18:06:16- 18:10:06		But there was nothing about you which was very very bad or..

18:11:04- 18:15:10		Infact you were pretty even then, as far as what I saw.
18:15:23- 18:18:24		So why then did you feel?
18:19:00- 18:21:01		That I needed plastic surgery?
18:23:02- 18:25:18		It actually started because I had lumps in my breast.
18:26:04- 18:28:13		After removing them, my breasts were uneven.
18:28:23- 18:30:13		It was like one big and one small.
18:30:18. 18:33:10		And so the doctor said that we could do implants for me.
18:33:16- 18:36:19		And since we are going for implants I told the doctor,
18:36:23- 18:38:06		"Let's go for the biggest ones."
18:38:09- 18:39:16		So he said, "Okay."
18:39:19- 18:42:05		And we just went for breast implants.
18:42:15- 18:44:07		After the breast augmentation I was thinking..
18:44:11- 18:45:23		..this is pretty easy, eh?
18:47:05- 18:51:23		And so I told them, okay, maybe we could consider other parts of the body.
18:52:22- 18:54:23		So I went to research about Korea.
18:55:04- 18:57:14		Because Korea has the most..
18:57:20- 19:00:14		..Asians that are doing plastic surgery.
19:01:15- 19:02:15		And I think..
19:03:01- 19:05:23		..plastic surgeons there are really artists, truly artists.
19:06:00- 19:09:05		Because you can show them your actual face your original face..
19:09:12- 19:11:01		..and they can tell you..

19:11:07- 19:15:00		..how to change to a totally different person.
19:15:05- 19:17:02		Just through some cuts..
19:17:06- 19:19:18		..and some tucks and nips.
19:20:08-19:22:00		And you can be..
19:22:10-19:24:09		..be a totally different person,
		in six months.
19:34:22-19:37:13		He (brother) is in the washroom.
19:41:02-19:45:17		So you can see that in Singapore everything is very near each other.
19:46:05-19:48:17		Whatever someone next door is doing, we can hear.
19:49:13- 19:52:08		Or even from upstairs.
19:53:06- 19:55:10		If they ever quarrel..
19:55:19-20:00:07		..we can also hear very clearly, because the windows are just next to each other and the kitchen.
20:01:19- 20:04:07		It's cosy in that sense.
20:04:21- 20:09:03		You get to hear the latest gossips.
20:10:09-20:13:21		That was my first and only relationship then.
20:14:07-20:16:24		And then the guy..
20:19:01-20:20:09		..two-timed.
20:20:23-20:26:06		And then within 4 months he got married.
20:27:21-20:31:18		So it just happened that.. You know, I'm not the type that..
20:31:19-20:34:20		Of course I would cry, of course I would be sad.
20:34:21-20:37:17		But then, I think there's a survivor in me.

20:38:04-20:41:00		Then when I finally realised that I kind of got over it..
20:41:06-20:46:03		..I wrote about my own relationship experience.
20:46:13- 20:48:22		And I was surprised that it was..
		..it was well received.
20:51:23- 20:56:08		There were many people who came to talk to me and messaged me.
20:58:02- 21:05:05		A lot of them were telling me their own experience about how they had even longer relationships.
21:05:06- 21:07:06		Mine was like four and half years.
21:07:12- 21:10:06		They had seven years.
21:09:15- 21:15:13		There were guys, there were girls who were dumped in the relationship.
21:15:14- 21:17:04		Some were even married.
21:17:11- 21:20:15		Some were even in an abusive relationship.
21:21:01- 21:24:23		That was when I realised that, you know, after all I think my relationship wasn't that bad.
21:25:05- 21:26:20		At least I was not abused.
21:47:15- 21:49:06		How many dolls do you think you have?
21:49:08- 21:51:21		I think I should have about nine thousand.
21:52:00- 21:54:03		Maybe ten. I don't know.
21:55:06- 21:58:13		What is the story of this man holding a Barbie?
21:58:19- 22:01:13		What do you mean this man? This man is me!
22:01:11- 22:02:24		The stupid glasses, of course.

22:03:02- 22:04:12		Tiny eyes.
22:05:04- 22:06:18		I painted the perfect look.
22:07:00- 22:08:07		Wow! Yes!
22:08:16- 22:09:09		So..
22:09:18- 22:14:10		I paint a new doll of myself every year but in 2012 I stopped.
22:15:00- 22:15:16		Why?
22:15:17- 22:16:13		Then I got fat!
22:17:10- 22:19:14		2011 is actually here.
22:21:11- 22:22:12		Where is he?
22:24:21- 22:28:03		That was the year of the goatee and the spiky hair.
22:28:13- 22:30:22		But he's still wearing the same Raymond Weil.
22:30:24- 22:33:19		This is when the Burberry bracelet happened.
22:33:22- 22:35:07		And the Bulgari ring.
22:36:01- 22:38:24		It's also when I got my Darth Vader light sabre.
22:42:22- 22:46:12		Actually the story started quite a while back.
22:46:15- 22:48:06		I think almost ten years ago.
22:48:10- 22:51:03		I was in the university and..
22:51:09- 22:52:19		..I was enjoying life because..
22:53:02- 22:55:09		..it was the first year and..
22:57:01- 22:58:13		..I was studying very hard.
22:58:17- 23:00:18		And..
23:01:17- 23:02:16		..suddenly..
23:02:20- 23:04:16		..I had a bad back ache.
23:05:09- 23:05:24		So..
23:06:08- 23:08:15		..the pain got really bad.

23:08:20- 23:12:13		And I went to see the doctor, I went to the hospital a couple of times.
23:13:20- 23:14:15		You know..
23:14:20- 23:17:11		The first two times the doctors didn't know what happened.
23:17:20- 23:21:02		The third time they realised that..
23:21:09- 23:22:03		..there's something wrong.
23:22:08- 23:23:23		Because the feeling in my legs..
23:24:06- 23:25:10		..it was not there.
23:26:09- 23:28:08		I couldn't feel my legs and I couldn't stand.
23:28:12- 23:29:09		So they did a scan..
23:29:13- 23:32:14		..and then they found out that I had a tumor in my spinal chord.
23:32:18- 23:33:24		He was in a lot of pain.
23:34:07- 23:36:01		He did the chemotherapy , he did radiotherapy.
23:36:04- 23:38:03		The radiotherapy was really quite bad.
23:38:12- 23:40:08		And then he really suffered.
23:40:16- 23:42:22		But to take..
23:43:22- 23:46:13		..our minds off it, we wanted to something together.
23:46:19- 23:47:24		It's like..
23:48:21- 23:51:00		He's in this phase, where..
23:51:01- 23:52:12		..everything is gloomy.
23:52:19- 23:54:05		Yeah, everything is gloomy, and it's like..
23:54:16- 23:57:07		..do now or nothing kind of mood.

24:00:21- 24:04:10		We started our first so called business together.
24:04:14- 24:07:09		We started the tuition agency there on the bed.
24:07:23- 24:10:18		While he was doing the chemotherapy.
24:10:23- 24:13:17		Actually the story is this because..
24:13:22- 24:18:19		..when the tumor was pressing on the nervous, on the spinal chord..
24:18:24- 24:20:15		..it was very painful.
24:21:09- 24:25:02		I couldn't sleep for two weeks.
24:25:08- 24:26:06		Two whole weeks.
24:26:09- 24:29:19		So can you imagine not being able sleep for two whole weeks?
24:29:23- 24:31:03		But it happened.
24:31:08- 24:32:21		I didn't sleep a wink.
24:33:08- 24:34:19		So I was lying on the bed..
24:34:24- 24:36:08		..and I couldn't feel my legs.
24:36:15- 24:38:13		So I was looking at the ceiling and I thought..
24:40:00- 24:42:16		"What would I do if I had a second chance?"
24:43:10- 24:46:02		So after, during the recovery process..
24:46:12- 24:47:07		..I was very excited.
24:47:19- 24:50:10		I could walk out again, we wanted to try anything, everything.
24:52:03- 24:53:24		We started to do stuff.
24:54:02- 24:55:04		And then it never stopped.
25:03-23- 25:05:15		Your wife lives in Vietnam?

25:06:16- 25:10:02		Because my elder wife doesn't want me. I have a second wife.
25:12:12- 25:15:23		But she is from Vietnam or Singapore?
25:16:02- 25:19:07		Vietnam.
25:19:08- 25:22:13		And your other wife is in Singapore?
25:29:19- 25:34:14		This is your older.. I mean first wife? Second wife.
25:40:15- 25:41:07		Hi!
25:41:24- 25:42:14		Hi!
25:43:05- 25:45:18		How come? Other people say. This is what I can tell you.
25:45:21- 25:48:02		In the world there are good people and bad people.
25:48:10- 25:52:20		She is a Vietnam girl. And she is a good Vietnam girl. And she is a good housewife.
25:53:04- 25:57:14		She takes care of everything in the house. That is why I love her.
25:57:21- 26:02:06		She is not like other people. How some women are not good
26:02:13- 26:05:00		Because they are not always home.
26:05:02- 26:09:12		At night, some of them go to the pub, drink and enjoy themselves.
26:09:16- 26:13:00		And they leave their kids behind. And they meet with some other guys.
26:13:11- 26:15:14		But this one no. So you are a lucky man?
26:15:24- 26:20:02		No I am not a lucky man. I am the same as you. I enjoy myself.

26:53:13- 26:59:24		He will fix this light board soon. Our boss takes time to repair things. He is slow.
27:00:00- 27:04:13		Why don't you guys accept my Debit card?
27:04:17- 27:11:24		The machine? Ah! It is not convenient for our boss.
		He likes to have money in his hand at a go.
27:14:13- 27:21:19		Of course it is easier for the customers. You guys don't carry as much cash now-a-days.
27:23:08- 27:26:23		You need to withdraw cash just for a meal here. It is not easy for the customers.
27:28:10- 27:34:09		But for our boss too it is hard. He doesn't like to keep track of bills, receipts etc.
27:36:07- 27:44:14		Our boss likes to take the money and put it in his pocket directly. So there is nothing to keep track of. No bank to go to.
27:58:22- 28:07:04		Earlier I was into bracelets and belts. If I show you my photo you'd be shocked.
28:10:00- 28:19:12		In 1968, any one who would see me would think I was filmstar.
28:20:05- 28:27:10		I'd wear so many chains and bracelets.
28:27:11- 28:36:23		My old clothes in Burma resembled a filmstar's clothes. I was very fashionable.
28:36:24- 28:43:18		Once I'd wear certain clothes, I would not repeat it.
28:43:24- 28:47:23		These faded jeans and colourful shirts are not a new trend.

28:47:24- 28:53:18		As early as 60's, 70's, I would fade my clothes by rubbing a brick all over them.
28:53:19- 28:58:20		At that time I was in Burma.
29:03:06- 29:07:12		After that I lived in Hong Kong.
		I didn't know that!
29:07:13- 29:12:24		Hong Kong was my bellbottoms phase. I enjoyed it.
29:14:00- 29:16:22		Then I moved to Singapore. There were barely any buildings then.
29:16:23- 29:23:15		There were three buildings actually. Tata Bank, UB Bank and umm..it was just empty.
29:23:16- 29:28:01		Which Singapore do you like more?
29:28:21- 29:31:23		The old Singapore.
30:20:06- 30:22:23		I was seeing the Singaporean stuff about history.
30:23:08- 30:25:13		It somehow only goes back to the fucking 60's.
30:26:00- 30:27:03		And that's all.
30:27:14- 30:30:24		And then I realised that Singapore has only until the 60's.
30:31:10- 30:33:05		There was nothing before this.
30:33:10- 30:35:10		So this used to upset me a lot.
30:35:14- 30:37:23		That retro for us was 60's.
30:38:06- 30:39:16		But now i Know why..
32:16:20- 32:22:05		Never existed. Even Boat Quay never existed, as such.
32:23:20- 32:27:18		You couldn't even find a pub to go and watch football.

32:28:01- 32:33:17		Is it that you like it more now? No I liked it more then.
32:33:18- 32:38:08		It was cheaper and it was a lot better.
32:38:15- 32:43:24		Till 1990 it was more laid-back, more easy. No one cared so much about money.
32:44:18- 32:47:15		Now everything is about money.
32:49:20- 32:52:08		How come you prefer here more than Europe?
32:52:09- 32:57:14		I didn't like the idea of Europe. The company I worked for in Germany closed down. So..
32:57:15- 33:00:19		..I thought okay..I come back here.
33:00:20- 33:04:07		Then I worked on board ships. For like three years.
33:04:08- 33:09:02		Then an Italian company sent me to China. So I stayed there for a year.
33:09:18- 33:13:00		And then I ended up back here.
33:13:16- 33:15:21		That's where I got stuck!
33:40:24- 33:44:07		A lot of Westerners think they are still colonial.
33:46:10-33:49:20		They come here and they think they own this place. Some of them..
33:50:15-33:54:24		But I have been here plenty of years. To me, I'm just one of them.
33:55:07- 33:57:12		I'm one of these people.
33:58:09- 34:01:02		Do you have the sensation of home in here?
34:01:20- 34:04:08		I don't have a home.
34:04:15- 34:06:20		..as such.

34:07:06- 34:10:22		Are you settled? As in married and have kids and such here?
34:10:23- 34:15:09		I was...sore subject.
34:15:10- 34:21:08		My kids are here. My children are in Singapore and I am divorced in Singapore.
34:22:11- 34:27:14		Sorry. If you don't mind me asking. Your ex wife isn't in Singapore? She is Singaporean.
34:31:24- 34:36:07		So you decided to stay back in Singapore and not move back to..
34:36:08- 34:40:17		No. I wanted to go back to Europe. But then I ended up staying here.
34:40:18- 34:44:18		After a while I endup divorced and I ended up staying here.
34:44:19- 34:47:20		But after that was it was conscious decision? Yeah!
34:51:06- 34:55:00		Why go back to Europe? There is nothing there for me either!
34:55:11- 35:02:14		..Wherever you go! If tomorrow someone asked me to go to your country..to India..I'd go!
35:04:02- 35:08:08		And what about your children? Do they consider themselves rooted in Singapore?
35:08:09- 35:12:00		They're Singaporean. And I don't see them.
35:15:08- 35:19:11		What do you mean? I don't see them. I haven't seen my children for about six years now.
35:23:01- 35:25:20		But they're Singaporean.
35:25:21- 35:27:18		Don't you want to see your kids?

35:27:19- 35:31:03		It's their choice. Not mine!
35:32:04- 35:38:09		If they want they can. They have my number.
35:38:10- 35:43:16		If they don't. They don't. That's it.
35:38:10- 35:43:21		I have my life to get on with. If I see them, I'll see. If somewhere else, somewhere else.
35:44:10- 35:47:19		You seem to have taken it okay? Why not?
35:48:21- 35:51:07		You only live once, right?
36:19:09- 36:22:04		Please keep this mobile there.
36:30:10- 36:33:02		What about that friend of yours?
36:33:20- 36:36:05		I heard she is really bothering you.
36:36:19- 36:39:10		Don't speak to Rishi, your friend etc?
36:39:15- 36:44:19		Oh! She is always on about that same thing. She wants to part me and my friend Rishi.
36:45:05- 36:47:12		- Have you solved that problem? -Yes I dealt with it.
36:47:22- 36:49:20		- You mean I don't need to come to your school? - No.
36:49:23- 36:51:01		Sure?
36:53:11- 36:55:07		At least tell me what happened!
36:55:14- 36:57:18		She hit me by mistake.
36:57:20- 37:00:10		On the very same spot where I have a broken tooth.
37:00:15- 37:02:00		So it started paining.
37:02:06- 37:03:23		That is when I got angry.

37:04:15- 37:07:01		We were playing the game, 'stone, paper, scissors.'
37:07:10- 37:09:02		I got 'scissors,' and she got a 'stone.'
		She hit me so hard that my finger flew.
		That hurt my broken tooth..so..
		Please keep your temper in check, generally.
		This isn't good.
		What if someone comes and tells you something?
		- Do you think I would feel good about it? - No.
		Keep your head on your shoulders.
		And, what else?
		- What? - I have heard more from Rishi's mother.
		What? (mocking)
		How naughty are you?
		- I have heard you blabber too much in your school bus. - No I don't!
		Don't lie to me.
		Rishi talks as much as I do.
		That is none of my business.
		Okay you talk, but how much and how loudly?
		Have some basic etiquettes.
		Is that expecting too much from you?

		The others around you are disturbed. You are a kid so you are being naughty.
37:55:09- 37:58:06		But your behaviour bothers all the others around you.
		No wonder everyone says, "This is how Indian kids behave."
		That is not good, right?
		Mom, I have finished reading both the books I got from the library.
		- Which ones? - Both are Tin Tin books.
		You already finished? Both?
		That is quick!
		Which ones did you get now?
		I have got three new books.
38:14:01- 38:15:05		I see..
38:18:20- 38:21:03		This game is a 5 to 5 game.
38:21:04- 38:24:01		It's a counter strike Senjou (type of videogame).
38:24:20- 38:30:01		What they are going to do, they need 16 points to win the whole entire game.
		At least for the time now, their score is actually 9 to 1.
		So with another 6 points, 7 points, they are going to win the whole entire game.
		So what is the objective of the game?
		You win 16 rounds first in the map.
		There are 5 maps in the whole game for combat.

		And you are going to win 16 rounds just to win the map.
		Either they plant or defuse the bomb or they wipe out the whole entire opponent (team).
		Like I said, it's a 5 to 5 game.
		Whoever comes first is who, either plants the bomb, defuses the bomb..
		..or kills the other entire team.
		This is how it works out in this game.
		They are going to win for sure.
		That's very easy.
		The four of us, we are not friends here but we met online, during a game.
		So there's when we started to talk to each other..
		" Do you want to form a casual team? Do you want to form a team?"
		"Let's play together as a team."
		"Do you want to take it to another stage, to another level?"
		"Are you ok with stuff like that? Do you want to go competitive?"
		"Let's do it."
39:40:22- 39:46:00		That's how we actually evolved from just a casual team to a competitive team.
		We have jobs, full-time jobs outside of here.
		Some of them are still schooling, or stuff like that.

39:50:12- 39:54:15		So we can't actually commit, like twelve hours a day
		just to focus on this game.
39:54:16- 39:58:17		So every time possible, they have everyday, maybe say, before they sleep..
39:58:18- 40:00:24		..two or three hours and they play together as a team.
40:01:00- 40:03:15		So all that time they have, they actually commit to this game.
		And one more problem we are facing is National Service, you know what I mean?
		They can commit all their teenage life to this game.
		But after that they have to serve two years in National Service..
		..and when they come back after that their skills might just drop.
41:41:00- 41:42:24		Singapore is small.
		It has the safety, the education that I was provided.
		Because I was born in Malaysia I'm not..
		..I'm not pure Singaporean.
		I've seen how my cousins..
		..are being ostracised as being Chinese in Malaysia.
		So I'm very very happy and grateful that I'm in Singapore itself.
		Because it's a very..
		..a very good country that focuses on quality.
		But then being an actress..

		..you don't have as many opportunities.
		Because there's just one company (TV broadcasting).
		It's a monopoly.
		So if you don't get a chance there it's not mainstream..
		..it's difficult to find some other opportunities.
		But of course now with Youtube things are getting different.
		People can do their own videos, they can try different stuff.
		And then..
		..you might just become popular over the most ridiculous thing.
42:58:11- 43:00:23		Like, for scolding the government.
43:23:01- 43:28:06		The story is out here. I was looking at an apartment there.
		And I hated it. I hated this apartment. I've always told myself..
		I would like a house with a spiral staircase. That is a house. Not an apartment.
		So out here I saw this house. This particular house.
		With this roof there. And this spiral staircase.
		And I told my mum, "Wouldn't it be interesting if this house was on sale?"

43:53:16- 43:59:18		So we came round the front and saw the address of the house. It wasn't on sale.
43:59:19- 44:04:23		So I was like yeah, whatever. The next Saturday it was in the newspaper.
		- No way! - It was in the classified section. This exact address.
		And my mum looked at it. 8:30 in the morning. And then she woke me up.
		And we came down at 9:30 am to this place to look at this house.
		And by 10:30 I signed the contract basically.
		That was insane because it happened in four days. Between this and this.
		The house was from 1959 which is Barbie's year.
		It's freehold and it has got a spiral staircase!
44:36:23- 44:40:05		And I'm like..does it not get any better than this?
44:53:13- 44:59:16		Show your father your bruise.
		He fell off the merry-go-round at school.
		Have you noticed the trains here?
		During rush hour too people stand in a neat file. One behind the other.
		Very organised, yes.
		If four can board the train, the fifth person actually waits for the next train.

45:27:15- 45:34:09		Yes that is what Meena (friend) told me the other day.
		If one train gets delayed it is really a big deal here.
45:34:10- 45:38:02		And that happens no more than once a year. Or actually, once in two years!
45:42:14- 45:44:05		Take some more.
		You know there are those cash-up point machines.
		Where you turn and then it's like, you insert some coin..
		..and a key chain drops out.
		So we started playing with those, and then we had some rare items.
		So out of fun we decided to list them online.
		And that was during the downtown mall search.
		And it was popular, so people started buying them, and we started to turn doing this.
		So we started to sell something and then it was fun.
		It followed up from there.
		So we started to source and then to start a proper store.
		We started from a push-cart.
		Push-cart in Singapore is actually..
		..this trolley like thing in a shopping mall, but it has a permanent space.
		Where you can actually display you wares.

		We started selling from there actually.
47:02:20- 47:06:16		What is the youngest a person can get into (plastic surgery)?
		I would suggest 21 and above.
		Because then your features are fixed.
		They don't shift or grow, you know?
		But when you are below 21 your face will still have some changes.
		So I waited until I was 26, 27 before doing it.
		This Brazilian, South-American guy.
		He wanted to change his entire look, his features, his body type to look like..
		Kim Kardashian!
		A japanese boy! Ohh, I saw that one.
		He looks good!
		But it's such a..
		drastic change! drastic change!
		But he looks good.
		But I don't understand the reason why he wants to look Asian.
		Asians want to look like Westerners.
		I don't understand why he would want to look Asian.
		Small eyes..
48:01:08- 48:02:11		You know?

48:02:20- 48:04:20		So for example, something like this..
		Don't fall, don't fall..
		I've painted her face.
		I've painted her face and I've done her hair.
		That's the process that I enjoy. I like doing strange things like, you know, the big hair..
		..and changing the make up, to match the outfit.
		I have these many dolls, right?
		Right now, I swear to you, if you tested me right now and you pulled out any doll..
		..I would be able to tell you where I bought it.
		How much I paid for it and possibly even tell you the story behind it.
		This is actually the story that I want to tell. This one.
		Princess of Cambodia.
		With a blown up leg.
		You have, you have to see this.
		She's got an amputated leg.
		Ok? So..It's not amputated, I'm sorry, it was exploded off.
		So what she is, is that, she is an ad campaign created by BBDO.
		I think it was like, 2006.
		She has a story at the back of her box.

		Beautiful Cambodian princess who walks through the fields and what not..
		..and one day she steps on a land mine and her leg blows off.
		The whole doll is actually an ad campaign to create donations for clearing Cambodian landmines.
		Nobody has this doll.
49:25:15- 49:32:23		If you see a life-size replica of an anime character..
		..most people feel very fascinated, I feel quite fascinated.
		"Ohh, it's this character in my size!"
49:41:04- 49:44:05		And you want to go and take a selfie with it, or something.
49:51:21- 49:55:12		I wanted to tell you something about my eighth grade.
		Every year I would participate in the Ganesha's festival dance celebration.
		I felt the dance couldn't take place in my absence.
		It was because of me that all the girls would gather to dance.
		When I was in the eighth grade, I was a part of thirteen dances.
		At the end of each performance I'd go backstage and change my outfit.

		I felt there wouldn't be a single performance in my absence. That is how crazy I had become about dancing and acting.
50:22:21- 50:26:09		I remember
		going for a film once with my father.
		I told him watching films gives us pleasure.
50:31:10- 50:34:02		That is when I informed him that I'd like to be an actress.
		My dad told me that working in films isn't for girls.
		If a boy has to try his luck in films it is okay.
		But when girls enter this field, they are exploited.
50:52:03- 50:56:13		We actually play casually. In a way we are all actually retired.
50:57:00- 51:01:13		-What is this concept of retirement, can you explain? -We are actually quite old.
		Please tell us at what age you ended playing.
		I myself am twenty-seven this year. Same goes for my friend over here, Andrew.
		For Clarence it was twenty-six.
		- For you? - I'm twenty-nine.
		- So for each one of us it's the age to (retire). - We are all close to the 30ish age group already so..
		Our reflexes.. We are not there anymore for reflexes.

		So we are kind of slow compared to them.
		So at the time of retirement you are roughly around twenty-five.
51:28:23- 51:32:07		When you start
		to lose your reflexes, your speed.
51:32:07- 51:34:13		Or how you react during a game, everything.
51:36:03- 51:40:17		Now we can only watch and hope they can do well for the next generation.
51:41:03- 51:43:13		That's the reason why we're here.
52:05:02- 52:08:08		Please sit comfortably and eat.
52:08:13- 52:14:11		Take as long as you need. Do not worry about the closing time.
		When a customer enters we can't just kick him out!
		Don't we have to run our business?
		Initially I thought you were from here (Singapore).
		No. Does my face look Singaporean to you?
		I meant to ask you if you were brought up here.
		As if a local would work as such a humble place!
		Locals only work at hip and cool places.
		If I were a local I wouldn't survive on such a small sum of money.
		My hands are good. One hand broke a while ago.

		That hand was even better.
		I won't have the heart to see it. But can you tell me how it broke?
		It got cut, just like this.
53:13:24- 53:16:23		Please see it. I know it is hard to see.
		I don't think I'd be able to.
		I would feel that way too earlier. But now I don't really have a choice.
53:25:20- 53:29:06		Were you rushed to the hospital immediately?
		I spent a month and a half on the hospital bed.
		When did it actually break?
53:34:03- 53:36:11		About seven to eight months ago.
53:52:06- 53:54:02		This is The absolute boyfriend.
		And my Harry Potter collection.
		These are my favourite books.
		So I don't really read local (books).
		It's the only comic that I have.
		Something from my ex.
		-All the books.. -You still love him?
		I'd just say, if I ever need some props for..
		..for a love story I have them.
54:46:13- 54:52:05		My husband doesn't worry about how I look but he worries about how I feel.
		It doesn't really matter..

		..what I do but he's really really concerned about my health.
		So he would do a lot of research.
		Especially scientific research..
		..to understand how the procedures would affect me.
		My wrinkles..
		Yeah, just smile for me.
		It's just a little bit.
		On the side here when you frown like that.
		- We've done some the last time, right? - Yeah.
		-How was that? -That's very good, it lasted for quite long.
		I think today we are just going to put on..
		- ..eight units on the side here. - Okay.
		And then I gonna put about eight units in the middle here as well.
		Just to prevent the muscles here from contracting.
		And to prevent the wrinkles here from contracting.
		- Okay, we want natural as usual, right? - Yeah.
		It is more natural, relaxing.
56:05:20- 56:07:08		- You just need to hold this for me. -Yeah.
56:08:04- 56:09:22		Just put this on the forehead.

56:27:15- 56:29:22		- Shall I give you? - Yeah.
56:43:20- 56:46:02		Okay, ready..
57:31:06- 57:34:19		I have now injected what we call
		the frontalis muscle.
57:34:20- 57:38:04		The frontalis is used to actually elevate the eyebrow.
57:38:14- 57:43:07		As you can see when eyebrows are elevated horizontal wrinkles appear on the forehead.
57:43:14- 57:47:02		So what the botox does, it actually paralyses the muscle.
57:47:20- 57:52:15		How it works is that the botox actually prevents the nerve from talking to the muscle.
57:53:04- 57:56:12		The muscle receives no signal from the nerve and doesn't contract.
57:57:00- 58:01:02		So that's why we just lightly relaxed the muscle over here.
58:01:09- 58:06:04		When the muscles are relaxed, they don't contract the skin and therefore there are less wrinkles.
58:52:15- 58:57:03		It is always the same story. Like right here, we are finally adjusting to this life.
58:57:07- 59:02:03		We were so lonely when we moved here.
59:02:04- 59:07:02		When everyone came over for Eid, I began to feel comfortable.
		Remember Dubai? There too, at the beginning you had no one to meet or talk to.
		You would spend the entire day watching t.v.

		Then gradually you started going out and meeting people.
		I particularly enjoyed my time in the malls in Dubai.
		Oh yes! The Ibn Batuta mall.
		It was really lovely there!
59:32:06- 59:36:00		Frankly I think we have been fortunate. We always escaped the political turmoil.
		Remember my friend who worked for the State Bank of India?
		He left his job and shifted to Bahrain.
		He was then subjected to the political unrest there.
59:45:09- 59:49:20		I just think we have been lucky enough to avoid this tension.
		Doesn't that also depend on us?
		We make sure we adjust to the place somehow.
		Yes and it is always a very local political issue.
59:58:18- 01:00:03:02		How does it really concern us, anyway? As long as they don't directly bother me at my work place.
01:00:32:17- 01:00:37:21		So there is this episode which is centred on this research.
01:00:38:04- 01:00:40:01		This guy is a researcher and he's sort of like..
01:00:40:13- 01:00:43:04		..going to be a state alchemist or he is going to drop out.
01:00:43:11- 01:00:46:03		But he needs a breakthrough, like a scientific breakthrough.
01:00:46:07- 01:00:50:06		And then he shows that he has a loving family.

01:00:50:21- 01:00:54:11		And he has a dog, he has a daughter, stuff like that.
01:00:54:21- 01:00:58:04		So as you watch you suddenly realise that..
01:00:58:13- 01:01:00:14		..to achieve this status..
01:01:00:19- 01:01:04:01		..he actually transmutes his daughter and the dog together to become a monster.
01:01:04:07- 01:01:06:17		And then he didn't know it and disappeared.
01:01:07:01- 01:01:10:09		So it explores topics like this which is very..
01:01:13:17- 01:01:16:00		Can be depressing, but it can be deep also.
		What does he do exactly? I didn't follow.
		The alchemists in this world..
01:00:32:17- 01:00:37:21		They can transmute items.
01:00:32:17- 01:00:37:21		They can turn this watch into a cup.
01:00:32:17- 01:00:37:21		This is a special power of the alchemists in this world.
01:00:32:17- 01:00:37:21		So what he's saying is that this guy, this researcher..
01:00:32:17- 01:00:37:21		..this alchemist in order to attain this status..
01:00:32:17- 01:00:37:21		..experimented on his dog and daughter.
01:00:32:17- 01:00:37:21		And combined them together to make the dog into a talking dog.
01:00:32:17- 01:00:37:21		So it became a so called chimera.
01:00:32:17- 01:00:37:21		You don't really realise until you watch and then suddenly the daughter is no longer there.

01:00:32:17- 01:00:37:21		And then the dog can talk. So after that episode you realize..
01:00:32:17- 01:00:37:21		Oh shit!
01:00:32:17- 01:00:37:21		I don't think you can repeat this!
01:00:32:17- 01:00:37:21		Anime can be...
01:00:32:17- 01:00:37:21		And it's very exciting but suddenly..
01:00:32:17- 01:00:37:21		They explore themes like: how far will you go?
01:00:32:17- 01:00:37:21		So it's not really for children.
		How far will you go to get what you want?
		This is a man's life's work, he wants to get this status.
		How far will you go to get a Nobel laurel for example?
		For this guy he went far enough to..
		..turn his daughter into a dog.
		And you realize the reason why his wife is no longer around.
01:02:49:07- 01:02:51:22		Because he did it before. He turned his wife into a dog!
01:02:59:04- 01:03:02:01		You know how social media, they are talking about..
01:03:02:14- 01:03:09:08		..people nowadays not willing to do or step up for people in distress?
01:03:10:13- 01:03:15:07		Like, when there's a robbery there might be people just staring or even videoing it.
		Instead of saving!
		I think a lot has to do with social media and the culture of the different countries.

		Like, there are news about how..
		..if you step up to save someone, you end up getting accused..
01:03:30:01- 01:03:34:00		..and being caught for saving him
		or doing the right thing.
01:03:34:10- 01:03:36:10		So people start to stop and think..
		"Should I be doing this? Should I be helping?"
		In anime, in shows it's something..
		..they are always doing the right thing!
		And they don't care what people think.
01:03:56:20- 01:04:00:18		These are not vintage by any mean but..
		But you see things like..
		See? Broken thumb.
		It's weird because if you think about it..
		..Barbie is supposed to be..
		..a very kitch, possibly even untasteful take on life.
		I mean she wears..I mean, she overmatches
		If you were to wear a pink dress with pink shoes with a pink bag..
		..people would laugh at you!
		So there's something very kitch about her that..
		..only her she can pull off.

		Whose wardrobe looks like this? Who can balance in shoes that are this high?
		Right? Nobody's feet are that small. Nobody wears shoes this high.
01:04:43:12- 01:04:47:00		Nobody has paper bags that look so beautiful.
		With tissue paper..
		..gracefully flowing out of all the little boxes for all the sunglasses.
		The world does not look like this.
01:04:59:00- 01:05:02:18		The West, I feel that they're becoming..
		..big lovers of Nature and what can be natural, organic and stuff like this.
		The East, especially in Korea and Japan, Singapore..
		...do a lot of body modifications.
		I think it's becoming common nowadays.
		Now they have lunch time quick fix.
		Where they go for quick laser and there's no downtime.
		It's called Q switch.
		And it changes the colour of the skin, it lightens the pigmentation.
		It's become very common so sometimes when you are working in a office..

		..you can just drop by any doctor and then just do a quick one.
		It's becoming very common. Even botox has no downtime.
		I can just jab and go.
01:05:50:08- 01:05:52:01		Yeah, it's fun..
		..to be someone you're not.
		Once in a while.
		And you get to look pretty.
		It should be easier with social media and everything.
		There's a lot of opportunities to know different people.
		But somehow everyone's heart seems..
		..closed.
		Yeah, I think so.
		I don't know, I'm still searching for answers.
		Why is it so difficult to find the correct person?
01:06:40:07- 01:06:43:22		Basically it's just like how you feel when you..
		..meet each other online.
		How you guys talk to each other.
		Because there's a lot of scaring each other away, you know?
		Like, guys try to get a girl, so that they can get free boosting from another guy.
		Because guys generally get attracted to girls, you know what I mean?

		Of course the guys wouldn't really have 200% trust on whether it's a girl or not.
		Unless..
		..they go on Skype, they chat with each other and they hear their voices.
		Then they plan to meet up.
		Or eventually the girls behave like a guy or whatsoever.
		They come down during the trolling of a team.
		Then they realise, "Ohh, it's a girl!" That kind of thing.
		So that's where those single guys would tend to show more interest for a girl.
		So it doesn't matter whether the girl is good at a game or not.
		Still she'll get all the attention from the guys.
01:07:52:02- 01:08:04:24		The stupid story of course is that my aunt told me, If I bought you a Ken would you stop playing with Barbie?'
		I was like, yeah okay! So she bought this for me. (laughs)
		I lied.
		So this is the perennial favourite.
		But if you ask for 'favourite-favourite,' I don't think I have one!
		Because every time I get a new doll, she becomes my favourite.
		Right!

		Are you married? No.
		No. You can't get married with this!
		Why?
		Have you had girlfriends..or..
01:08:33:10- 01:08:36:10		I'm currently attached.
		We've been attached for ten years.
01:08:36:11- 01:08:39:00		But we are not going to get married. We don't live together!
		So we have the two toothbrushes, two towels..but..we..ours is a very complex relationship.
		In general, is it something like..you'd like to get married some day? No!
		I don't like this convention. Again..I think this is a very Singaporean concept of..
		That you need the traditional..what the family looks like..
		With the HDB flat, with the Toyota Corolla.
		With the dual income, no kids, At least 8000 dollars household income..
		I don't buy that. I actually don't want to be like that!
		Actually both of us don't. So there is something nice that you have found someone..
		..that is not of the same Singaporean ideal.

		And is just comfortable for ten years just being like this!
		But what is it like? Does she share this passion as well? No!
		How does she deal with it? Exactly. Like I said, it is too complicated to talk about..
01:09:41:19- 01:09:48:18		..any more than this! But we lead very
		separate lives but we are together!
01:09:51:23- 01:09:57:05		Yeah! 'Cos you cannot have someone live in this house!
01:09:57:17- 01:10:00:22		Unless the person shares the same passion as you!
01:10:01:10-01:10:06:09		No! Because if you do, you'd have doubles of everything! (laughs)
01:10:06:18- 01:10:10:20		I don't date collectors. I think they are all crazy.
01:10:49:08- 01:10:53:01		Earlier I could bounce from one job to the next with ease.
		Now things are harder with a broken hand.
		Do you consider going back home?
		I think in India I can go anywhere and start some business
		If I think smartly I can manage. There is a lot of money in India.
		India has so many millionaires. So much of the money in foreign banks is thanks to Indian businessmen.
01:11:29:11- 01:11:42:07		In any case, all I'd need is my bread twice a day.

01:11:47:12- 01:11:52:05		It is all a matter of time. No one is bigger than time.
01:11:53:10- 01:11:58:21		A perfectly healthy man can be caught in the clutches of death at any given moment.
01:11:59:03- 01:12:05:08		We make life long plans but the truth is no one knows what is going to happen the very next day.
01:12:05:10- 01:12:10:11		I'd like to film you some more when the light is fixed.
01:12:10:11- 01:12:17:07		Me? I have nothing to say. But I will be around.
01:13:02:23- 01:13:07:20		I mean, this is my own life experience.
		I'm actually quite reckless.
		When I was young I tended to tell my dad..
		"Hey, I'm going to school. Can you give me some allowance?"
		I'd take that allowance and I would go somewhere in center.
		Yeah..
		Then there's where I found my interest in a way.
		Of course my parents, after they found out all the caning, all the whacking and all the scolding.
		But you can't stop me. You can never stop me.
		It's a happy dream.
		I tend to save up from work and put it somewhere around safe.
		Then go sometime and play a game.

		That's how I feel. Most of the teenagers..
		..I mean not a lot, some..
		..like myself..
		We tend to..For me, I've lied to my parents before, for gaming.
		So that's the bad thing.
		But I don't regret this path.
		Because this path brings..It's like opened another path for me.
		To know more people and maybe I can even advance in my career this way.
		If I were to listen to my parents..
		..I would not be here today, in a way.
		I might be at a desk job, every day, 8 to 5.
01:14:16:03- 01:14:22:19		Since a very young age, I figured..you know what..I am not going to fit in.
		I never will. So it's just carving a niche for myself.
		Yeah so that's how I see it. Because..
		I lived in the Middle East for a while. I lived in Australia for a while.
		I lived in Singapore for a while. One thing I liked..
		..or learned to like, that being this strange in Singapore, you actually stand out!
		And when you stand out, that moves you ahead in your career..in a lot of things.

		Because suddenly you are that Singaporean guy that speaks!
01:14:58:10- 01:15:01:13		Many men have asked me for advice.
		They do it for themselves, not for their girlfriends or you know..
01:15:07:17- 01:15:09:15		They do it for themselves,
		they know what they want.
01:15:09:16- 01:15:11:14		But girls..
01:15:11:23- 01:15:16:10		Girls tend to be affected by what they see.
01:15:16:17- 01:15:19:13		Or who they like, what they read about.
		And they want to please their partners.
01:15:21:12- 01:15:25:00		I think the confidence should be tied to your personality.
		And not based on your look.
		Because even if I continue maintaining, these looks won't last.
		One day I will look aged as well. When I'm 80 I cannot look like I'm 20, right?
		So I think the confidence is from inside, from within.
		The looks help very little.
01:15:45:04- 01:15:50:07		I think that's where I understand my parents a bit more because..
		..if you were to ask me if my son were to play with dolls, what would I feel..
		..I think..
		I think I would understand the mistakes that he would make.

		But I would also understand that needs to become his own person.
		I don't know if I would want to put myself thought that.
		I'm just happy to be like this, you know.
01:16:13:12- 01:16:16:23		I don't know if the word is in limbo but I just like to be like this.
01:17:17:07		I think for a Singaporean if you were to go overseas to study or work for a few years..
		..when you come back, it's different.
		A lot of people say that.
		If you don't stay for a while you see it's being changed so much.
		But when you actually live here enough you don't feel it.
		You don't feel it this much.
		We lived on the 16th floor, so when I just moved in there when I was 4 years old..
		..we could see the sea.
		The East Coast part of the sea.
		But over the years, the buildings in front of us just came up.
		So now there's only a small portion where you can see the sea.
		<ul style="list-style-type: none"> - The rest is all covered with buildings. - One thousand buildings, literally.

		The country has to grow, they actually need the foreigners, so as to say.
		So that we can build the industries.
		So if not it will remain static.
01:18:05:01- 01:18:07:14		Because there's not enough manpower
		to just rely on Singapore.
01:18:08:19- 01:18:10:06		They're here to play a balancing game.
		Which for a while went out of control.
		Yeah, they didn't balance it well. It's very intricate.
01:19:02:16- 01:19:06:18		Your parents' generation, do they really feel like, "Damn, we miss the old Singapore!" ?
		- They do, they do mention but in a wistful manner. - They say it, but they enjoy the luxury now, the so called luxury.
		- It's not.. - The place is so nice.
		I mean, you compare now to when they were living in a mud flat with chickens running around?
		Anybody would choose this!
		Our public buses were not air conditioned.
		We would remember the time when there was no AC and we would sit up..
		..at the second level in the double decker bus and the wind would just blow.

		And we are like, "Actually the AC is much better!"
		So it's an improvement.
		We realise that very few people are that open to change.
01:19:47:03- 01:19:52:15		And here I realise that even the locals are very open..
		We don't have a choice. It's a matter of survival for us.
01:19:53:13- 01:19:58:03		Because we are so small. We don't have a lot of land resources.
01:19:58:04- 01:20:00:18		- We really cannot.. - I think everybody knows that.
01:20:00:18- 01:20:03:04		When you are born here you know that.
01:20:03:05- 01:20:05:02		Nostalgia is..
01:20:05:16- 01:20:08:20		- ..is expensive and we can't afford it. - Yeah, we cannot embalm everything.
